

Tony C. Evans – T.C.E. | Transforming Challenges into Excellence

Tony C. Evans is an accomplished operations and supply chain executive with over 20 years of experience transforming businesses across hospitality, gaming, food and beverage, bottled water, health and wellness, consumer goods, electronics, technology, e-commerce, and 3PL/distribution. His career spans organizations of every scale—from high-growth startups to global enterprises—where he has driven strategy, standardization, and scalable growth.

Throughout his career, Tony has led multi-site logistics operations, ERP/WMS optimization, robotics and automation initiatives, and large-scale consolidations that have delivered multimillion-dollar savings and efficiency gains. With a proven ability to identify best practices, adapt proven strategies, and align people, processes, and technology, he guides organizations toward sustainable operational excellence and transformative success.

Tony holds a **Bachelor of Science in Business Management** and a **Master of Science in Security Management**. His guiding philosophy—“**Transforming Challenges into Excellence**”—embodies a lifelong commitment to turning obstacles into opportunities and performance into purpose.
